CREW MANAGEMENT

ABOUT COMPANY

Head office of **CISS Group Pte. Ltd.** is located in Singapore.

CISS GROUP - This is a team of professionals with experience of doing business in major international shipping & survey companies more than **15 years**.

CISS GROUP is group of companies involved in maritime business. There are three main business directions of the companies:

- Survey (testing, inspection and certification) of different cargoes and commodities.
- Ship brokerage and vessel chartering.
- Project management and ships construction supervision; marine power plants maintenance, overhauling and repair by mobile technical team.

Since summer 2011 we have started to provide crewing services.

We have teamed up our forces, experience and knowledge in order to offer only the best practice in the Shipping industry.

Operational excellence and high standards of CISS GROUP allow our partners feel assured **twenty-four-hour a day**.

**WELCOME
ABOARD!**

CREW MANAGEMENT

Internally, our company employs a dedicated and loyal workforce which encompasses expert HR, legal, marketing, finance and payroll professionals, as well as experienced Crew coordinators and marine recruitment consultants, marine engineers and superintendants to provide you with an unsurpassed standard of service every time.

CISS GROUP provides the skilled multinational crew.

We work with merchant fleet but our streamline is tanker fleet including VLCC, crude oil tankers oil product tankers, LPG fleet. We also provide with the crew specific vessels of offshore line, dry docks and shoreline.

In our database we have also experienced Auditors, TSI, MSI, any kind of crew for different of types of work in the field of maritime business.

To meet the requirement of our partners we put great attention on screening and selection of seafarers.

ADDITIONAL SERVICES

We are dealing with reputable and reliable companies, who can assist with visa application, air flight tickets & hotels arrangements.

TRAININGS AND COURSES
